Dear Members and Colleagues:

As you may be aware, the NALS of New York City and NALS of New York Education & Networking Conference was scheduled to be held on Saturday, May 2, 2020 at the offices of Reed Smith, LLP in New York, NY.

Like many other organizations, your NALS of New York Executive Committee Officers have been closely monitoring the news concerning the coronavirus (COVID-19).

After much careful consideration, I regret to inform you that we are going to cancel the conference at this time.

We will continue to monitor the news concerning the coronavirus (COVID-19), and as soon as this crisis has alleviated, we will reschedule the conference.

Please know that your safety is of utmost importance to us because, without you, there is no NALS of New York.

Also, please know that your NALS of New York Executive Committee officers will work to improve communication with you; will work on finding new CLE programs; and will work on ways to conduct association business in a more effective and efficient manner.

On behalf of NALS of New York, I thank you for your patience and understanding, and I will continue to keep all of you and your families in my thoughts and prayers.

In the meantime, be well and be safe, and engage, inspire, enhance, and promote each other.

In friendship,

Toni
